

REMARKS / ARGUMENTS

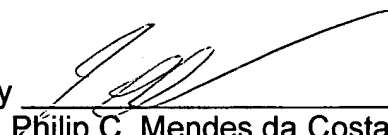

Pursuant to this amendment, the applicant has proposed changes to the title, the field of the invention and the abstract in order to amend these portions of the specification to conform with the claims which have been allowed by the Examiner. In particular, the applicant submits that the amendments proposed herein will more accurately reflect this subject matter claimed herein and will assist electronic data base searches when this application issues to patent.

The applicant has concurrently filed herewith the issue fee papers. Accordingly, the applicant respectfully submits that this amended is properly filed under 37 CFR 1.312. Favourable consideration of this amendment after allowance is respectfully requested.

Respectfully submitted,

Bereskin & Parr
